Bogota, Colombia

+57 300 773 2450 | camilopaez.dev@gmail.com

## EDUCATION

---

02/2022 - Today **Computer Systems Engineering** Universidad Nacional de Colombia  
**Full Stack Developer with JavaScript** Platzi  
**Frontend with ReactJS** Platzi  
**M001: Mongo Basics** MongoDB. University

## WORKING EXPERIENCE

---

03/2022 - **Full stack developer - Sello Digital** Bogota  
06/2023 Started working as a halftime frontend developer. After some time I got more and more into backend development as well in automatization scripts made with nodejs and/or python.

10/2021 - **Frontend developer - ShaapStore** Ibagué  
02/2022 I've extended my knowledge in frontend development by developing an internal tool for the management of their customer loyalty program with react, express and mongodb, while maintain a Wordpress store.

10/2020 - **Frontend developer (Freelance)** Ibagué  
10/2021 Some first steps a frontend developer using some basic HTML, CSS and JavaScript. I've developed some smaller applications.
